Commencing Year: 20__

Thank you for your application for enrolment at Mullauna College. Each year we receive many applications and we cannot accede to them all. Students who reside within the designated neighbourhood area take priority of enrolment followed by those with a sibling claim.

Whilst in-zone and sibling claims take priority, out-of-zone applications are considered where places are available. Parents may wish to provide additional information relating to students to assist Mullauna College in its decision.
