

PARENT PAYMENT ARRANGEMENTS

Dear Parent

Mullauna College is looking forward to another great year of teaching and learning and would like to advise you of Mullauna College's parent payment arrangements for 2022.

Please find the fee schedule for years 7 to 12 attached. Please make all payments through the school Compass portal.

Mullauna College makes every effort to keep the cost of items and activities to a minimum and affordable for all parents. Parents' contributions are vital to the quality of services and facilities that are provided to students and are spent prudently. This charge covers the cost of resource materials, general photocopying and stationery, travel to and from whole school sport carnivals and inter-school sporting competitions, Compass student/parent communication system, Edrolo for VCE, curriculum resources, student diaries, ID cards, locks and the school magazine. In addition, a large proportion of these funds are directed towards the supply and maintenance of the Information and Communication Technology (ICT) resources used by all students. The ICT budget includes desktop computers, laptop computers, data projectors, LCD TVs, digital cameras and associated software.

Financial Support for Families

Mullauna College understands that some families may experience financial difficulty and offers support options, including:

- the Camps, Sports and Excursions Fund (CSEF)
- on a case by case basis we approach external agencies for financial support

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact:
