The college programs offer breadth of pathways and Year 10 students can access VCE subjects. Mullauna also delivers an International Student Program.

The College implements programs designed to promote student connectedness, morale and attendance. The use of technology is embedded into learning & teaching programs. These programs are embedded in the College curriculum. They include:

The school is divided into a Senior School (10-12) and a Middle School (7-9). Each year level is overseen by a Year Level Co-ordinator (YLC) who establishes positive relationships with students and promotes a sense of unity amongst the students of that year level. In addition, there is a Wellbeing Co-ordinator and Student Adolescent Nurse who works closely with the YLC and teachers to address the needs of individual students.

At Mullauna, we believe a student learns best when the family and school are working in partnership with the common goal of achieving the best possible educational outcomes. To that end, our school has a web-based school management platform, called Compass, enabling better communication and engagement processes. This portal is designed to provide parents with secure, direct access to everything parents need to know about their child's education.

2. School values, philosophy and vision

Mullauna College's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Our vision for our students is that they will grow to be responsible young people who value and respect learning. We value the pursuit of excellence and strive to provide opportunities for all students to experience success and contribute positively to their community. The College motto, *Success through Learning Together*, reflects our belief that excellence is best achieved when students, teachers and parents work in partnership.

Students, staff and members of our school community are encouraged to live and demonstrate our core values of creativity, courage and community at every opportunity.

The College values:

- **Creativity**
 - Be creative: think, ask and explore
 - Look for new interests and different perspectives
- **Courage**
 - Commit: persevere and strive to achieve your personal best
 - Look for opportunities in uncertainty and complexity
- **Community**

 - Be accountable: contribute to a safe and sustainable environment

Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults.
