## Statement of commitment to child safety

Mullauna Secondary College is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex, queer, questioning and asexual (LGBTIQA+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

## **Specific staff child safety responsibilities**

Mullauna Secondary College has nominated a child safety champion to support the principal to implement our child safety policies and practices, including staff and volunteer training.

The responsibilities of the child safety champion are outlined at [Guidance for child safety champions](#).

Our principal and child safety champion are the first point of contact for child safety concerns or queries and for coordinating responses to child safety incidents.

Our school has also established a Child Safety and Wellbeing Team and a Student Reference Group on child safety. The Child Safety and Wellbeing Team meet regularly to identify and respond to any ongoing matters related to child safety and wellbeing. The Student Reference Group provides an opportunity for students to provide input into school strategies.

Our Risk Management Committee monitors the Child Safety Risk Register.

## Child Safety Code of Conduct

Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The Child Safety Code of Conduct also includes processes to report inappropriate behaviour.

## Managing risks to child safety and wellbeing

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

## Establishing a culturally safe environment

At Mullauna Secondary College, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

We support the Marrung Education Plan with two main strategies:

1. We ensure that Aboriginal and Torres Strait Islander culture is seen, heard and felt in our community.
  - a. We do this with visual artifacts in different parts of the school, including artwork, acknowledgement of country displayed and flags for example.
  - b. We do this with our verbal acknowledgment of country in our assemblies and common meetings.
  - c. We run a Welcome to Country each year, and we promote other indigenous cultural events for all of our students to participate in.
2. We ensure that Aboriginal and Torres Strait Islander students are recognised and supported.
  - a. We do this by appointing two Marrung Leads who work with students to ensure that they are able to access their education to the best of their ability.
    - i. This includes an IEP, termly SSGs and regular meetings and check ins.

## Student empowerment

To support child safety and wellbeing at Mullauna Secondary College we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through;

- Whole school activities such as R U OK day
- Transition programs between year levels.

- Co-curricular activities where students can interact in a variety of other formats.
- Year Level or sub-school based programs or workshops, such as Challenge, SkillZ and Bullying, No Way!

And implementing our whole school approach to Respectful Relationships, our student Code of Conduct, our school values.

We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns at <https://mullauna.vic.edu.au/> or through our General Office.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Mullauna Secondary College we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

## Complaints and reporting processes

Mullauna Secondary College fosters a culture that encourages staff, volunteers, students, parents, and the school community to raise concerns and complaints. This makes it more difficult for breaches of the code of conduct, misconduct or abuse to occur and remain hidden.

We have clear pathways for raising complaints and concerns and responding and this is documented in our school's Complaint Policy. The Complaints Policy can be found at <https://mullauna.vic.edu.au/wp-content/uploads/2025/03/Complaints-Policy-2024-1.pdf> or in the school policies folder on Compass

As soon as any immediate health and safety concerns are addressed, and relevant school staff have been informed, we will ensure our school follows:
